

Men's Club Membership

What a year this has turned out to be! Now, more than ever, finding ways to connect is vital. The Men's Club of Temple Sinai inspires men of all ages to be more involved in synagogue life through tzedakah (charity), tikkun olam (making the world a better place), and g'millut chasadim (acts of kindness). We provide an essential space where our men can come together in camaraderie and friendship.

Whether through Zoom or in person, our Men's Club is part of what makes Temple Sinai a meaningful and joyous community. Our members are a wonderful group of guys, so please, come join us! New members of Temple Sinai pay no dues for their first year of Men's Club membership. I encourage you to become a member of this wonderful community of men.

Dues are \$36 annually. Please make your check payable to the Temple Sinai Men's Club.

We look forward to meeting you and hearing the many ideas you have for Men's Club this year. Thank you for your support.
